

WE CAN'T WAIT TO SEE YOU!

The safety of guests is our top priority which means that this trip may be a little different than usual

Pool, Club House and BBQ Patio

To maintain the safest possible guest experience we've made the tough decision to keep these shared facilities closed this season, our team will happily point you in the direction of one of the many local lakes & beaches to enjoy

Check in from 4pm

In order for our team to clean rooms more thoroughly check in now opens at 4pm and we ask that you check out by 10am

RV guests you can still check in at your leisure from 2pm

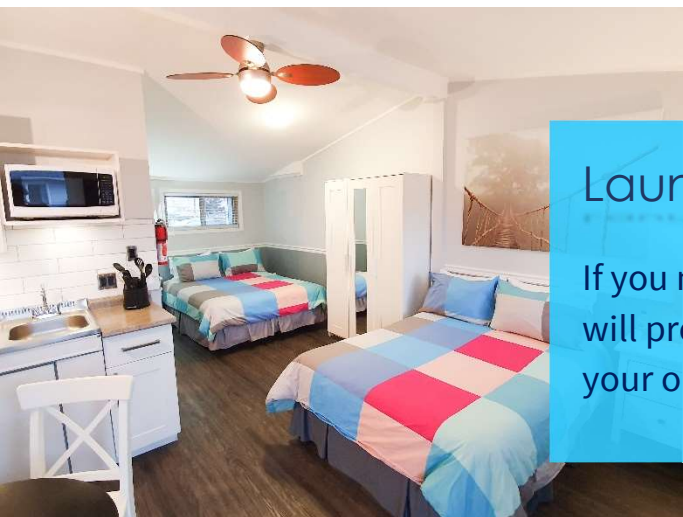

Daily Housekeeping

In line with guidance we won't be carrying out daily housekeeping in our rooms during your stay- don't worry, we can still grab an extra towel or more coffee, that's what we're here for

Clean and Safe

For guests in rooms or cabins please leave refuse outside your room tied in the provided bag each morning, if you need cleaning supplies for your room we've got those too

Laundry Services

If you need fresh linen or are staying for more than 7 days we will provide this and leave it outside your room, simply leave your old linen tied in the provided bag for us to collect

Ready to welcome you

We're encouraging everyone at our resort to follow social distancing practices, making sure our staff are healthy when they come to work and keeping the resort spotlessly clean

If you would like to use our remote check in service and head straight to your room or RV site on arrival just let us know, we will provide everything you need

That's it. Nothing else has changed.

You will still be looked after by the best team in town, still be able to pick sun warmed cherries from our trees and still get to read that book you've been meaning to read lying on the beautifully soft grass.

Thank you for your understanding, we can't wait to see you!
